was contacted and informed of the lack of space in Gr. 1 and Supt., suggested using Gr. 8 (aside Mrs. Anna Kane) and received her consent. Gr. 8 opened but no remains found of infant Anna (a little black dirt and outline of wood box, at approximately 4 ft depph.) If remains had been found, they would have been transferred to Gr. No. 1.

Jan. 13, 1961: When Gr. No. 1 was opened for interment of Nick Fante, sectional (slab) was discovered in approximate location of grave No. 1 Mausoleum Section. Check of records showed that this (John Kryjack) was the only one to have slab used; therefore it was concluded that grave was that of John Kryjack. Edgar Miller and Dallas Moore were employed here in 1954 when Mr. Quaigg made this interment; they recalled that they opened a grave, presumably aside of Grave No., Row 1, Section VII, and hit a box. Grave was closed and moved over for the Kryjack interment. (F.F.Pfister)
