

Addison, Evelyn M. "Babe"

Babe was born April 16, 1922 to John and Ann (Lehr) Wiesen and passed away Jan. 30, 2015 in the city of Orange, CA. She married William "Spike" Addison on July 4, 1945 in Steubenville, OH. A short time later they moved to CA.

Babe worked for Maurry Biological, in Los Angeles and retired after 35+ years of service. She was a true animal lover and she and Spike were "parents" to many dogs and cats throughout their marriage. Lucky pets! And who could forget the annual Addison 4th of July parties? Babe was the perfect hostess to those parties in addition to being a wonderful cook. She liked to see others having fun.

Babe was preceded in death by her parents; step-father, Adam Wegner; her husband, Spike; and her much loved companion, Al Znojil.

Babe will be greatly missed by cousin, Terry Lehr; the Addison, Rattray and Amling families; many, many friends; and her cat, Cleo.

Never was there a more kind, generous, thoughtful and loving person. She touched many lives and made them better.
