Because Mrs. Trabucco is a minor, it was necessary for her to have the Probate Court appoint a guardian to administer her affairs. I was informed by Donald Mosti (Funeral Director) that her attorney and Judge Morrow were opposed to paying the full bill for the funeral that they would pay only a portion of it as they felt the charges to be too high. Mosti asked that the cemetery take a percentage reduction in the case in order to close it. After several months delay, I agreed to the percentage reduction. However receipt was rendered only for amount paid, and interment listed as a sub-standard burial. Cemetery regulations provide: "No marker may be erected on space in which sub-standard rate was paid for interment unless and until payment of standard rate is made. Balance due as of April 27, 1955-- -\$41.10
